

## Spanish > get ready for AS

*Welcome to the Spanish speaking world – be immersed in Spanish this summer*

More Than English is an international summer school programme for British pupils learning Spanish and for international students learning English.

We are inviting British pupils who have finished their GCSE in Spanish and who are predicted a grade A-C the opportunity to get ahead by laying the foundations this summer for success in AS Spanish.

### Spanish > Mornings > 15 hours a week

The focus of the course is communication: intensive speaking and listening practice with rapid vocabulary extension. You will be challenged to use your Spanish in different ways. We will give you the vocabulary and phrases so that you can enjoy the challenge of engaging in discussions about controversial topics. You will develop your listening skills through engagement with interesting authentic radio programmes. You will gain confidence in using Spanish in different ways by working in a team to interview native speakers and by creating a formal presentation based on the results.

#### > 15 hours of Spanish lessons a week

- Develop your fluency discussing meaningful topics
- Improve your listening skills listening to authentic texts
- Gain a different view on Spanish by reading different texts
- Learn to use Spanish in new ways by doing presentations
- Interview native speakers

> Plus free Language Exchange exchange with native speakers your age from Mexico and Spain

*Your home away from home: Moor Park, just outside historic Ludlow*

# MORE THAN ENGLISH

## Get Ahead > Afternoons > 9 hours a week

While you are studying Spanish for 15 hours every week in the mornings, students from 20 different countries from around the world, including Mexico and Spain, will be studying English. The afternoons are a chance for British and international students to mix together doing 9 hours a week of extra task based learning options. We have chosen skills that will really add power to your future UCAS application.

### > Leadership:

Develop your debating skills at the Model United Nations

### Professional sports coaching:

Improve your tennis skills with the help of Team GB captain Richard Wheeler and his team of qualified coaches

## Language Exchange Club

Nothing compares to practising your Spanish with native speakers in real life situations. You'll have the chance to attend Language Exchange Club. Here, you offer 20 minutes in English for 20 minutes in Spanish. With a teacher on hand, you use language based games, songs, discussion prompt cards, short articles and video clips to prompt discussion and conversation. Your teachers notes mistakes to provide feedback after.

## Club time > Afternoon

### Do the sports you love or try something different:

Example activities:

- > Survival skills: bush craft, orienteering
- > Mini Olympics Games, tennis, football, volleyball, golf, badminton
- > On campus heated swimming pool
- > Computer coding
- > Inspirational talks

## Evenings

Special events e.g. International Night
